- To learn how to overcome the challenges and barriers that women face in leadership roles.
- To gain the skills and knowledge you need to be successful in leadership roles.
- To be able to demonstrate proficiency in women's leadership through a certification exam.

#### Description of Programme

In purview of the above objectives, the institute offered this certification program so as to develop our female students in leadership roles for their future. This program enlightened our female students on understanding the different ways that women lead and identifying their strengths as a leaders and overcoming weaknesses thereby developing a leadership style that is authentic and effective for them. This certification was successfully conducted by Mrs.

Zarina Shaikh, Assistant Professor, Poona Institute of Management Sciences and Entrepreneurship.

### **Outcome of Programme**

This certification program was exclusively for our female students because of the very reason that in their professional life, the females are deprived of leadership roles for various reasons. This program focused on the diversity and inclusion requisites in leadership, exploration of different women leadership styles, building brand as a women leader for effective work life integration. Hence our female students have mastered the skills and knowledge taught in the program and will be able to apply them in a professional setting.

### Certification Program on “Tally.ERP”

**Name of the Resource Person and Association:** Dr. Prakash Sharma, Founder, Passion IT

**Dates:** 6<sup>th</sup> February 2019 to 22<sup>nd</sup> February 2019

**Duration:** 31 hours

**Mode of Certification:** Offline

**No. of Students Enrolled:** 48

**Mode of Evaluation:** Test

### Objectives of Programme

- To become familiar with and use Tally for accounting and inventory
- To provide knowledge about financial accounting topics.
- To equip students with the skill necessary to register a firm, enter accounting vouchers, reconcile Bank statement, perform accrual adjustments and print financial statements

### Description of Programme

The purpose of this program was to make our students accomplish the Tally ERP software and its associated fields such as accounting, inventory and tax tasks. Since Tally ERP is used by majority of Indian Small and medium size businesses for their daily accounting tasks, this program undoubtedly assisted out students in gaining the skill to make them ready for those SMEs.

## Outcome of Programme

Through this program, students could learn how to use Tally ERP effectively in order to save time and effort when managing their finances and tracking business transactions in near futures. Our students became more confident in their ability to use accounting software programs. By completing this certification program, students have gained the confidence they need to use Tally ERP and related accounting entries in a professional setting.

# NOTICE

Date: 4<sup>th</sup> February 2019

This is to inform all the students of MBA General, MBA IT and MBA HRD that PIMSE is organizing 31 hours Certification Program on topic “Tally.ERP” from Wednesday, 6<sup>th</sup> February 2019 onwards between 8.30 am to 10.30 am.

Those who are interested need to register with Mr. Mohammad Ali Shaikh before 5<sup>th</sup> February 2019.

**Prof. (Dr.) Shakeel Ahmed**  
Director

## Preamble

The purpose of this course is for students who wish to learn how to use Tally to accomplish accounting, inventory, and tax tasks. Student accounting solutions, inventory management, sales and purchase management, invoicing, and reporting can all be aided by tally integration. Tally is a comprehensive accounting, tax, and payroll programme.

Tally should be learned by all students. ERP 9 is used by the majority of Indian small and medium-sized businesses for their daily accounting tasks. This course will undoubtedly assist the students in learning accounting with the Tally software.

## Course objective :

- To become familiar with and use Tally for accounting and inventory
- To provide knowledge about financial accounting topics. Tally is an accounting programme used to teach how to maintain accounts
- To equip students with the skills necessary to register a firm, enter accounting voucher entries—including advance voucher entries—reconcile bank statements, perform accrual adjustments, print financial statements, etc. using the Tally ERP.9 accounting software.

- To be able to identify and manage financial risks.
- To be able to demonstrate proficiency in financial literacy through a certification exam.

### Description of Programme

‘Penny saved is penny earned’, with this idiom, AKI Poona institute of Management Sciences and Entrepreneurship, organised this certification program for all our students irrespective of their specialisation. Every student will start earning after their MBA and will have to manage and invest their savings in an efficient way so that they will get timely and lucrative returns. With this agenda the speaker, who is Chartered Accountant by profession enlightened our

students as to how to do personal financial planning, save tax and at the same time get handsome returns on their investments. This program also focussed on retirement planning, tax saving, safety of mutual funds and allied aspects.

### **Outcome of Programme**

This certification program proposed and achieved the following outcome.

- Improved our student's financial literacy by learning how to manage their finances effectively and reduce their stress levels.
- Enabled them to make better financial decisions by understanding the different financial options available so that they can make more informed choices about their money.
- By completing this certification program, students have gained the confidence they need to make sound financial decisions.

Thus, our students have mastered the skills and knowledge taught in the program and will be able to apply financial literacy principles in a professional setting.
